**Refrigerated  
Grab-n-Go**

**Zone Heated  
Stone Counter Top  
with overhead Heat**

*Many finish options available.*

### Standard Features:

- Cabinet consists of 3/4" plywood panels finished in high pressure plastic laminate.
- Self contained refrigerated Grab-n-Go side has our standard air-over cooling with 3 shelves plus a heated condensate pan to eliminate the need for a drain
- Heated side contains a zoned heated stone counter top and 1 shelf and overhead heat. Separate controls.
- LED lighting below shelves illuminates product below
- Both sides are wired to twist lock connections out of the top of the unit
- 3" thick insulated panel provides a thermal break between hot and cold sides

### Options:

- Many laminate colors or stainless steel exterior
- Powder coat available in many colors for canopy, assembly, and corner guards
- Remote refrigeration
